Investment Highlights:

- *Competitive differential established through quick responsiveness in meeting customer product and timing needs*
- *Serves industrial/mechanical 25%, refining 20%, mining 15%, h2o treatment 10%, oilfield 15%, & other 15% industries*
- *Relationships with manufacturers who follow strict quality controls*
- *Multiple locations to serve diverse customer markets*
- *Strong management team in place and willing to stay*

The Company wholesales and distributes top-quality stainless steel and alloy piping products which are extensively used in a variety of industries. These industries include but are not limited to industrial/mechanical supply, petro chemical and refining, oilfield supply, fertilizer and mining, water treatment, infrastructure, marine, and pulp and paper. Products offered are divided across six general categories including stainless steel and alloy pipe, flanges, pipe fittings, tubing, valves, and miscellaneous products. The Company sells to 400 active accounts from its office/warehouse locations totaling over 42,000 square feet. Opportunities to grow through geographic expansion, product line addition, and acquisition of other distributors.
